PURPOSE

The March of Dimes is a national voluntary health agency whose mission is to improve the health of babies by preventing birth defects, premature birth and infant mortality. Founded in 1938, the March of Dimes funds programs of research, community services, education and advocacy to save babies.

Launched in 2003, the March of Dimes Prematurity Campaign is a multiyear, multimillion-dollar research, awareness and education campaign to help families have healthier babies. The campaign includes: 1.) funding research to find the causes of premature birth, 2.) educating women about risk reduction strategies, including the signs and symptoms of premature labor, 3.) providing support to families affected by prematurity, 4.) expanding access to health care coverage so that more women can get early and adequate prenatal care, 5.) helping health care providers learn ways to help reduce the risk of early delivery, and 6.) advocating for access to insurance to improve maternity care and infant health outcomes.

As part of this effort, the New Jersey Chapter community grants program is designed to invest in priority projects that further the March of Dimes mission, support national campaign objectives, and further our strategic goal of promoting equity in birth outcomes.

Proposals will be accepted from organizations with the capacity, competence and experience to accomplish project goals and objectives.

Priority will be given to projects that meet one or more of the following criteria: a) are evidence-based; b) include measurable outcomes; c) help promote equity in birth outcomes. Projects may focus on consumers and/or health care providers. The March of Dimes does not fund billable health care provider services.

ELIGIBILITY

In order to be eligible to receive a March of Dimes chapter grant, an organization must be an incorporated not-for-profit 501(c)(3) or for profit organization or government agency. The March of Dimes does not award grants to individuals. Applicants must disclose any conflict of interest due to representation by their organization on the chapter's Program Services Committee or the Chapter or Division Board of Directors.

FUNDING AVAILABLE

The applicant must provide services in New Jersey's geographic boundaries. The chapter community grants fund for 2011 is approximately \$275,000. It is anticipated that 8 projects will be funded, with awards ranging from \$10,000 to \$75,000 each. Chapter community grants are approved for one year.

LETTER OF INTENT FORMAT

The first step in the application process is to submit a Letter of Intent. The letter is limited to two pages and must address the following eight questions:

1. Which of the funding priorities is the project addressing?
2. Who is the target audience?
3. How many people will the project reach?
4. What are the measurable objectives?
5. How will project success be evaluated?
6. What impact will the project have?
7. What is the amount of funding requested?
8. What are the major budget categories?

Proposals must address at least one of the funding priorities listed in this brochure (see priorities)

An original and electronic copy of the Letter of Intent must be received in the chapter office by May 27, 2010. Please also attach a page with your organization's name and mailing address, and the phone, fax and e-mail (if applicable) of a contact person.

REVIEW AND NOTIFICATION

A multi-disciplinary Program Services Committee will review the Letters of Intent. Applicants selected to submit a full proposal will be notified by June 26, 2010. Full proposals will be due to the chapter by August 9, 2010. Please be advised that Letters of Intent and proposals are non-binding.
