Institute for Nursing presents...

Evidence-Based Practice Interpreting Research

Follow the Road to Nursing Excellence

...for staff nurses

PROGRAM PURPOSE

The purpose of this program is to educate staff nurses to become informed consumers of research.

MODULE TOPICS

- Introduction to Nursing Research: Part I
- Introduction to Nursing Research: Part II
- Weighing the Evidence for Change
- Incorporating Research into Practice

THIS PROGRAM IS BROKEN INTO 4 MODULES OVER 2 DAYS

DAY 1: 7.75 CONTACT HOURS (INCLUDES EVALUATION TIME & REQUIRED READING)

Module 1: Introduction to Nursing Research Part I

Objectives:

- Examine the concepts relevant to nursing research
- Explain the steps of the quantitative research process

Module 2: Introduction to Nursing Research Part II

Objectives:

- Describe methods of analysis in research
- Explain methodologies used in qualitative research

DAY 2: 5.75 CONTACT HOURS (INCLUDES EVALUATION TIME & REQUIRED READING)

Module 3: Weighing the Evidence for Change

Objectives:

- Describe the steps in a critique of a research article
- Discuss the levels of evidence required to support a change in practice

Module 4: Incorporating Research into Practice

Objectives:

- Identify barriers to change
- Describe models used to incorporate research into practice

CONTACT HOURS

A combined 13.5 contact hours will be awarded to participants attending both days. Contact hours include evaluation time and required reading.
